MSP IL PIANETA DEL CALCIO A5

SIAMO NOI

MSP Verona riparte sempre più forte col calcio a 5 e col calciotto, campionati e tornei su misura per squadre e giocatori che rappresentano il meglio del meglio che la pratica di questo sport può offrire a Verona nel settore amatoriale. Godiamoci le loro figurine!

Certo, lo sport è salute, inclusione, socialità, ma è anche agonismo, perché l'agonismo (in particolare quello calcistico) offre quel pizzico di peperoncino che non guasta nei piaceri della vita. Un sano agonismo va gestito con un'organizzazione capillare a livello di arbitri e giustizia sportiva, ed anche in questo MSP Verona primeggia grazie alla sportività di molti atleti e dirigenti, dell'impegno costante di tutti gli arbitri ed alla incrollabile passione della famiglia Portale, vero muro portante del calcetto MSP oramai da decenni.

La negazione a livello nazionale della rilevanza del calcio a 5, (ossia la deriva della promozione sportiva nazionale con troppi dirigenti asserragliati nei palazzi di Roma e Bruxelles a fare danni), comincia dal loro rifiuto di considerare il mondo reale: è il calcio lo sport preferito dagli italiani ed il calcio a cinque lo sport dilettantistico di gran lunga più praticato in Italia.

E così resterà, noi di MSP Verona la nostra parte la stiamo facendo.

Buona fortuna a tutti!

Il vicepresidente nazionale M.S.P.
